

L. P. Fisher, newspapers advertising agents, 21 Merchants' Exchange, San Francisco, is our authorized agent. This paper is kept on file in his office.

Carlisle borrowed \$500,000,000 from the banks at 5 per cent interest, and mortgaged the brawn of the nation by way of issuing bonds, while the government has deposited fifteen million of dollars without any interest with certain favored national banks, but which the banks use in their business for their benefit. This Republican policy, inaugurated by John Sherman, who gave his pet banks as high as \$50,000,000 at a time, is continued by the Democratic party through John Carlisle. When Sherman retired from the treasury he opened a bank in New York. The Associated Press dispatches said Carlisle was offered the presidency of a bank in Wall street. Is it not time for the people to get cranky enough to get in the saddle while and ride down the men and parties guilty of such outrages in the administration of the government.—Silver State.

Cure For Love.

Procure 4 scruples of mortal antipathy, 3 drams of the strongest aversion, 2 pennyweights of the opium of jealousy, 15 ounces of the aqua of oblivion. Distill by the fire of conquered passion; render the mixture palatable with time's sure balm, use the funnel of firmness, the filter of disgust, and the vials of contempt; seal with the wax of another attachment. Destroy the prescription and have faith in the remedy, and your hollow eyes will resume their former lustre.

The above drugs are to be had of Caraway Comfort, Hearts Ease Valley, County of Resignation.

The Seignorage Bill Passed. Washington, March 15.—In the

Senate today Bland's Seignorage bill was taken up. Carey of Wyoming finished his argument, begun yesterday, and was followed by Dubois of Idaho. At the conclusion of the arguments the bill was put on its passage and was passed by a vote of 44 to 31.

The bill will be sent to the President tomorrow. Whether he will sign it remains to be seen. The belief is that he will, though some hint that he will allow it to become a law without his signature.

Charles N. Crittenton, sometimes called the "Millionaire Evangelist" on account of his great wealth, will commence a series of meetings in Odd Fellow's Hall Tuesday evening March 20th.

He has held meetings in many parts of Europe and Asia, and during the last few years has devoted much time to the Pacific Coast, many thousands having been converted through his influence.

Preparatory services are being held in the Methodist and Presbyterian Churches. A large chorus choir will be organized for the occasion, and a cordial invitation is extended to the people of Carson, Empire, Genoa and other places to assist in these interesting services.
